20th European Angiology Days

1-3 December 2023

Final Program

C- Poster Session

[Poster viewing continue in a parallel room \(link\)](#)

13- Session

9.00-10.20 PM CET

Challenges in the prevention and treatment of venous thrombembolism

Chairpersons: Grigoris Gerotziafas FR -Matija Kozak SL- Michael Lichtemberg DE

1-Antiphospholipid syndrome Diagnostic and Therapeutic Challenges - **Elmina Lefkou GR**

2-Recommendations for Cancer Associated thrombosis - **Grigoris Gerotziafas FR**

3-Facing the risk of VTE in women undergoing assisted reproductive techniques - **Darko Antic SB**

4-Endovascular treatment of acute pulmonary embolism - **Stefano Barco CH**

Discussion

3rd- LECTURE

10.20-11.00 AM CET

Pelvic Venous Congestion: overview and new therapies - Michael Lichtemberg DE

(open to questions)

Chairpersons: Spyros Vasdekis GR

14- Session

11.00-12.00 PM CET

VAS Young Session

Chairpersons: Chris Manu UK – tbc (VAS Young Executive)

1-Anonymous survey of working conditions of clinicians within Angiology/Vascular Medicine: **Urška Bregar, Chris Manu, Alexandra Girbea**

2-Diagnostic and therapeutic difficulties of a peripheral micro-embolization case: **Dora Pecsvarady**

3-Non-vascular origin of painful arterial spasm: case report of nervous complication caused from a treated popliteal aneurysm: **Barbara Borea**

Discussion
